

Buddies/Mentors

Buddies

The buddy program is entirely focused on spirit, cheering and support for the big and little buddies. Buddies can bring cards or posters to meets. "Buddy gifts," if given at all, should be limited to something small at City Meet and Conference. We'll be kicking the season off with a buddy social on Sunday afternoon, June 8th. Being a buddy is a great addition to a swimmer's season. Some of the best swim memories come from the bonds formed between big and little swimmers.

Mentors

Families willing to serve as mentors will be paired with a new (or newish!) family and will be available to guide and support the new family as they gain their footing and learn the sometimes complicated ropes of swim team. This should be a rewarding experience for mentors and mentees alike.
